

# Opp City Schools

*We Build the Future*

## *Belief Statements:*

- ❖ High expectations and high performance standards are necessary to achieve goals and to expand opportunities for all.
- ❖ Education is a shared responsibility of families, schools and the community.
- ❖ Safe, innovative, student-centered schools are necessary for success.
- ❖ Leaders, teachers, and staff that are well-prepared, well-resourced and supported are essential for effective schools.
- ❖ Rigorous, relevant curriculum delivered through effective instruction maximizes student achievement.
- ❖ Effective schools operate with equity, accountability, and fiscal responsibility.
- ❖ Successful schools inspire trust, invite collaboration, and promote continuous improvement.
